Notice of Hearings

Two public hearings will serve to obtain comments about a proposed watershed approach to permitting proposed dams and other stream obstructions, as directed by the 2002 Kansas Legislature in Senate Bill 436. The hearings will be as follows:

Date	Time	Location
October 21	9 a.m.	Memorial Hall auditorium, 2nd Floor, 120 SW. 10th Ave., Topeka
October 22	1 p.m.	Room 3080, Finney State Office Building, 230 E. William, Wichita

Persons wishing to present information at the hearings should send written testimony to the Kansas Department of Agriculture before October 15.

Senate Bill 436 directed the secretary of agriculture and the chief engineer of the Division of Water Resources to report and make recommendations to the 2003 Legislature, outlining the strengths and weaknesses of a watershed approach to the permitting of proposed dams and other stream obstructions. A comprehensive watershed approach would require the development and submittal of plans that access upstream and downstream impacts on land uses and existing structures within the watershed.

To prepare the report, the Division of Water Resources will review its current permitting procedures verses the comprehensive watershed approach, consult with counties, cities and other stakeholders, and evaluate results of the two public meetings. Written testimony should include the name, address and telephone number of the person submitting the testimony and the party represented, and should be sent to the attention of Leslie Garner, Kansas Department of Agriculture, 109 S.W. 9th, Topeka, 66612. A copy of Senate Bill 436 can be obtained by contacting Leslie Garner at (785) 296-4623.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Tuesday, November 12, in Room 108, Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of proposed amended rules and regulations of the Kansas State Treasurer on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed amended rules and regulations. All interested parties may submit written comments prior to the hearing to Tim Shallenburger, State Treasurer, Room 201-N, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612- 1235. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed amended regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed amended regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (785) 296-6000 or TTY 296-4798. Handicapped parking is located at the south end of Landon State Office Building, and the north entrance to the building is accessible.

Summaries of the proposed amended regulations and their economic impact follow.

K.A.R. 3-2-2, Excess contributions, and K.A.R. 3-2-3, Withdrawals, implement the Kansas postsecondary education savings program (known as Learning Quest). Both regulations are proposed for amendment in order to

implement L. 2002, Ch. 104, Sec. 2 as well as to reflect changes to 26 U.S.C. Section 529 of the Internal Revenue Code and developing Internal Revenue Service interpretations of Section 529.

K.A.R. 3-2-2, Excess contributions, establishes standards for determining when a contribution must be considered an "excess contribution," procedures for preventing excess contributions on behalf of a designated beneficiary, and procedures for eliminating any excess contributions that occur inadvertently. Amendments to K.A.R. 3-2-2 primarily involve three changes: (1) changing the basis for determining excess contributions from the "maximum contribution amount" to the "maximum account balance"; (2) reflecting contributions made by individuals other than the account owner or owners; and (3) eliminating references to the penalty formerly provided in K.S.A. 75-646(g) for nonqualified withdrawals. Other amendments are primarily nonsubstantive clarifications or updates to current regulatory style standards.

Under the existing provisions of K.A.R. 3-2-2, "excess contributions" means contributions on behalf of a designated beneficiary in excess of the "maximum contribution amount." Therefore, under the existing K.A.R. 3-2-2, none of the earnings on contributions to the account are considered in determining whether a subsequent contribution will result in excess contributions.

Internal Revenue Service interpretations of 26 U.S.C. Section 529 have been evolving in a direction that necessitates modification of the manner in which "excess contributions" are determined under K.A.R. 3-2-2. Proposed amendments to K.A.R. 3-2-2 amend two definitions so that excess contributions are redefined as contributions on behalf of a designated beneficiary in excess of the "maximum account balance." Under this approach, both earnings and contributions are considered in determining whether a new contribution would be an excess contribution. Because the account balances can vary from day to day and because there can be multiple accounts for one beneficiary, amendments to K.A.R. 3-2-2 set out a formula for making that determination. The formula uses the "aggregate balance of all accounts for that designated beneficiary at the end of the prior quarter" as a starting point and then adds to that base the "sum of all other contributions made during the current quarter to any account for that designated beneficiary," plus the new contribution under consideration, as reduced by the "sum of all withdrawals made during the current quarter for any account for that designated beneficiary." Any portion of the new contribution that is determined in this manner to exceed the maximum account balance is an excess contribution, which is to be returned to the contributor.

The program manager is to continually monitor the contributions to and aggregate balance of all of the accounts for each designated beneficiary using a similar formula. If it is determined that the result of that calculation exceeds the maximum account balance, the program manager is to determine whether any portion of the amount in excess is due to current-quarter contributions, and if so, these excess contributions must be eliminated through a withdrawal or rollover distribution.

The other two substantive amendments are the result of recent statutory changes. These changes now allow any person to make contributions to any family postsecondary education savings account and also eliminate the required withholding of a 10 percent penalty for each nonqualified withdrawal.

K.A.R. 3-2-3, Withdrawals, establishes the conditions under which an account owner may withdraw part or all of the balance from the owner's family postsecondary education savings account. Originally, K.S.A. 75-646 provided that accounts must be open for at least two years before a qualified withdrawal could be made and authorized the state treasurer to adopt regulations providing for exceptions to this limitation under those extenuating circumstances as the treasurer deemed necessary and appropriate. In its current form, K.A.R. 3-2-3 contains a procedure for requesting and processing such a waiver, as well as the standard for approving a request for a waiver. Amendments to K.S.A. 75-646 provide that withdrawals made within one year after an account has been opened are nonqualified withdrawals, and the state treasurer's authority to adopt regulations providing for exceptions was deleted. Therefore, the provisions in K.A.R. 3-2-3 relating to waivers are also deleted.

The remaining amendments to K.A.R. 3-2-3 also are a consequence of the elimination of the penalty provisions in 26 U.S.C. 529 and K.S.A. 75-646. Currently, K.A.R. 3-2-3 contains a number of provisions relating to the information and records that must be provided in connection with a request to withdraw funds from a family postsecondary education savings account, including an indication of whether the withdrawal will be a qualified withdrawal, a withdrawal exempt from the penalty provisions, or a nonqualified withdrawal subject to the 10 percent penalty. Those provisions will be deleted because, in the absence of the penalty provisions, it is no longer necessary for the program manager to determine whether a withdrawal will be subject to the penalty. Instead, individual account owners are required under federal law to maintain adequate records and documentation to establish the basis for their withdrawal and to determine whether they are subject to the new tax equal to 10 percent of earnings on a nonqualified withdrawal.

No economic impact on the State Treasurer, other agencies, the account manager or the general public is anticipated. The economic impact on account owners, contributors and beneficiaries cannot be projected but is not likely to be significant.

Copies of the proposed amended regulations and the associated economic impact statement may be obtained by contacting Blanche Parks, Office of the State Treasurer, Room 201-N, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1235, (785) 296-3171.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2 p.m. Wednesday, November 13, in Room 481W, Docking State Office Building, 915 S.W. Harrison, Topeka, to consider the adoption of proposed changes to the existing rules and regulations that support the Kansas retailers' sales tax act. A number of regulations are being revoked and replaced with new ones.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written comments from the public on the proposed rules and regulations. All interested parties may submit written public comments on the proposed rules and regulations prior to the hearing to Tom Hatten, Attorney/Tax Specialist, Office of Policy and Research, 2nd Floor, Docking State Office Building, 915 S.W. Harrison, Topeka, 66625.

All interested parties will be given a reasonable opportunity to present their views, either orally or in writing or both, concerning the adoption of the proposed regulations. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Tom Hatten at (785) 296-3081 or TTY (785) 296-6461. Handicapped parking is located in State Parking Lot No. 2, south of the Docking Building facing Harrison Street. The north, south and east entrances to the Docking Building are accessible.

The regulations are proposed for adoption on a permanent basis. A summary of the proposed rules and regulations and their economic impact follows.

Revocation of K.A.R. 92-19-5; adoption of K.A.R. 92-19-5a. Extension of time for filing returns. K.A.R. 92-19-5 codified rules for obtaining an extension to file returns. These rules are no longer current. K.A.R. 92-19-5a explains the current procedures for obtaining an extension of time within which to file a return. Revocation of the regulation and adoption of the new one should have no economic impact on Kansas retailers, government agencies or units, or the general public, since the amended regulation states current policy.

Adoption of K.A.R. 92-19-5b. Failure to file a return; estimated assessments. K.A.R. 92-19-5b sets forth the department's procedure for issuing estimated assessments and identifies the taxpayer's appeal rights. It also provides that, once an estimated assessment has not been appealed and becomes final, it will not be set aside if a taxpayer later files amended returns for that period. Any adjustments can be handled though the department's abatement procedures, which are described in K.A.R. 92-12-66, and made applicable to sales tax by proposed regulation K.A.R. 92-19-81. Adopting this proposal will not

have a significant economic impact on Kansas retailers, government agencies or units, or the general public.

Revocation of K.A.R 92-19-22; adoption of K.A.R. 92-19-22a and K.A.R.92-19-22b. Charges for admissions and participation in sports. K.A.R. 92-19-22 for admissions has not been amended for more than 30 years. Since then, there have been several statutory amendments for how admissions charges and charges for participation in sports are taxed. The new regulations reflect the current statutes and policy for admission and for participation in recreation and sports. Revoking the regulation and adopting the two new regulations should not have any economic impact on Kansas retailers, government agencies or units, or the general public, since the basic provisions in the regulation are unchanged. Adopting this proposal will not have a significant economic impact on Kansas retailers, government agencies or units, or the general public.

Revocation of K.A.R 92-19-23; adoption of K.A.R. 92-19-23a. Coin operated devices, including vending machines. K.A.R. 92-19-23 discusses taxation of coin operated devices. It is being revoked and replaced with K.A.R. 92-19-23a to provide a clearer explanation of how sales taxes apply to vending machines and other coin-operated devices. Adopting this proposal will not have a significant economic impact on Kansas retailers, government agencies or units, or the general public.

Revocation of K.A.R 92-19-36; adoption of K.A.R. 92-19-36a. Jeopardy assessments. K.A.R. 92-19-36 is being replaced by a new regulation that more clearly states the department policy and procedures for jeopardy assessments. The new regulation will better inform taxpayers about the procedures involved and the scope of their right to challenge the accuracy of a jeopardy assessment. Adopting this proposal will not have a significant economic impact on Kansas retailers, government agencies or units, or the general public.

Revocation of K.A.R. 92-19-50. Third party lessors. K.A.R. 92-19-50 addresses how third party leases are taxed. This area is now covered in K.A.R. 92-19-55a, which was published in the Kansas Register August 8, 2002. Revocation of this regulation should not have any economic impact on Kansas retailers, government agencies or units, or the general public, since K.A.R. 92-19-55a is being followed by the department.

Amendments to K.A.R. 92-19-57. Sales tax on motor fuels, special fuels, liquefied petroleum and other fuels. This sales tax regulation deals with taxation of hotels and motels. Subsection (b) of the current regulation is deleted because it implements the exemption of sleeping rooms that are rented for more than 28 consecutive days. This exemption was repealed by the Legislature in 1992 as part of the school finance bill. See 1992 Kan. Sess. Laws Ch. 280, Sec. 59. The revisions to the rest of the regulation are necessary for clarity and to bring it into compliance with the Department of Administration standards. Since the proposed changes are intended to reflect the current statute or to state the current policy more clearly, there should be no economic impact on retailers, government agencies or units, or the general public.

Adoption of K.A.R. 92-19-81. Abatement of final sales tax liabilities. K.A.R. 92-12-66 implements K.S.A. 79-

3233a through K.S.A. 79-3233i. These income tax statutes deal with the requirements for abatement of final income tax liabilities. K.S.A. 2002 Supp. 79-3618(b) provides that final sales and compensating tax liabilities may be abated in the same manner and to the same exempt as is provided in K.S.A. 79-3233a through K.S.A. 79-3233i. K.A.R. 92-19-81 references K.A.R. 92-12-66 and adopts its procedures rather than setting out the same language in full. This regulation should not have an economic impact on Kansas retailers, government agencies or units, or the general public.

Copies of the regulations and their economic impact statements may be obtained by contacting the Kansas Department of Revenue, Office of Policy and Research.
